Advice Given on Control of Weeds In Sorghum Fields

Weeds are a problem in Jones County sorghum fields according to Jones County agent, Kirby Clayton. These young weeds can be controlled economically by the use of ½ Lb. of 2-4-D, says Clayton, but farmers should use caution in spraying sorghum under 6 in. high. Sorghums sprayed under 6 in. tall may result in lowered yields, and if over ½ Lb. of 2-4-D is used lowered yields may result on certain type sorghum, the agent reports.

Agent Gives Help On Weed Control In Costal Fields

Weeds are beginning to be a problem in Costal Bermuda grass after the recent rains says Jones county agent, Kirby Clayton. There are a number of chemicals farmers can use to control these weeds says Clayton, but 1 Lb. of 2-4-D per acre is one of the cheapest methods and should give good control of most broadleaf weeds invading Costal Bermuda Grass pastures.

2-4-D is relatively safe for use on Livestock pastures, but cattle should be removed during the spraying and for 1-2 days after is practical. For other precautions on use of herbicides contact your county agent.

FAIRVIEW NEWS...

By Mrs. Elmer Joiner

Our stoves had hardly cooled off from the last time they were used, when along came Sunday with a one hundred degree reading. If you have been wanting to store your heater for the summer, think it will be safe now.

The farmers have really been busy, plowing beds, preparing them for planting cotton. It seems that next Monday is the time set for them to start planting cotton, so everyone beware, when a farmer starts planting cotton he lets nothing interfere, for they try to get it in the ground as quickly as possible. Some have maize up, some have just planted and some have not planted as yet. Wheat is looking good, but harvest will be delayed this year, usually some patches would be ready, or in the next few days, but the farmers owning combines will have time to plant their cotton before wheat harvest, if something such as rain, does not delay the planting.

We extend our sympathy to Mr. Henry, on the illness of her brother, Mr. J. E. Boyd, who is a resident of Snyder, but is now a patient in the Rotan Hospital. Mr. and Mrs. Henry had visited him on Tuesday and Thursday, but got a call Sunday afternoon that he was worse. They went over to see him again, getting back in time for church.

Mr. and Mrs. Winson Gray went to Brownwood, last Wednesday, to attend funeral services for Mr. Gray's aunt, Mrs. W. B. Lane, of that city.

The monthly meeting of the brotherhood and W. M. U. of the rural churches met at Hanna Wednesday night, with a fair crowd, should have been more. All four of the churches were represented in the brotherhood, the three taking part in the W. M. U. having members from each church. Did not get the report of the men's meeting, but the ladies had the program from the Royal Service book, "The French in Louisana". The next night meeting will be June 8, with the Tuxedo church. The ladies will meet Wednesday May 25, at 9:30 a. m. in the home of Mrs. Elmer Joiner.

Visitors of Mr. and Mrs. E. A. Henry last Wednesday were Mrs. Vida Baker and Mrs. Ora McCollough, from Rule. Thursday, Mr. Henry's brother Warren Henry, from Lubbock, came to see them.

Mrs. Woodrow Goodwin and Mrs. Winson Gray were Friday afternoon visitors in the Drake home.

Mr. and Mrs. Fred Rosenbaum have done a lot of fishing this spring, but he reports that he will have to go to work now and let the fishing wait.

Word was given us about some former residents of our community, now living at Levelland. Miss Margaret Renfro, daughter of the Gerald Renfros, was chosen Miss Levelland of 1966, winning over nine contestants. In July she will go to Fort Worth, where she will compete in the state wide contest for Miss Texas. Margaret won the title, with her beauty, and as her talent the rendition of three vocal solos. She is a freshman at South Plains College, Levelland.

Rev. and Mrs. Babb were dinner guests of the Fred Rosenbaums.

Mrs. Mary Sue Henry, of Rule, took dinner Sunday with the Henrys.

News out our way will be scarce until the farming rush is over, you do not make news spending from ten to twelve hours a day in the field. When the men get home they are already for supper and bed, then up the next morning to do the same thing again. Its a hard life stometimes, but who wants to trade it, when you have spent your life at it.

THANK YOU . . .

. . . for the fine vote given me in the Primary Election, and a special thanks to the many friends whose good help made the results possible. I shall be ever mindful of the responsibility that comes with the victory. ....

OMAR BURLESON

To the People of Jones County

If I had money, I could buy food, but no appetite; I could buy medicine but not health; I could buy pleasure but no peace of mind; I could buy a house but no home; I could buy a church membership but no salvation.

There is no treasurer on earth greater than friends. Saturday, May 7, I considered myself the wealthiest person in Jones County to learn how many friends I had. I humbly and sincerely thank you for your vote and confidence in electing me as your next County Treasurer. With your help and the help of God I will handle the office with every consideration and equality to all.

Sincerely,

L. R. (Shorty) Winkels, Jr.

SYLVESTER NEWS...

The Farmers Coop Gin gave a bar-b-que on Saturday night for the stockholders, I hear every one had a nice time.

Mrs. Lee Sanders came home from the hospital this past Saturday after having been there almost three weeks and having surgery. She is doing real well.

Lea Dickerson spent a few days in Hamlin hospital due to a very sore throat and cold.

Mrs. Carra Perkins has returned home from Lubbock and says she is going to stay home for a while, she visited with Raymond and family.

The Ross Douglas family is walking on air. Gary & Paula drove to San Antonio and got little miss Barbara Jill. She was born on the 4th of May and weighed a little over seven pounds. Lenora vows she is the prettiest little girl she has ever seen, but after all that is what she has said about the grandsons. Really, I guess there isn't any difference, she just loves them all.

That buzzing sound you have been hearing all last week was just these ambitious farmers plowing and planting, and I do mean they have been at it almost day and night.

Our last report from Mrs. Combest is that she will continue to live in Lancaster and will sell her home here if she can. We all miss her but realize that it will be better for her to be near some of the children and Minnie lives very near her.

Mr. and Mrs. Paul Stephens are so very proud of their home since it has been done over with aluminum siding, storm doors, and aluminum screens. It looks so nice and too she has lovely flowers, so it is a beautiful sight to see.

Mr. and Mrs. Roy Kiser and Mr. E. C. Kiser atended the graduation of Danny Kiser at Trent on last Friday night. We are all very proud of Danny. We have seen him grow up. He was valedictorian of the class.

Mr. and Mrs. Guy Mauldin are having some remodeling done on their home.

School will soon be out in all our schools, and Vacation Bible School will follow real soon!

OLD GLORY NEWS...

Old Glory Seniors and their sponsors ae planning a trip through the "Old South." The class will leave Old Glory Saturday morning, May 21, and will return home June 1.

Mr. and Mrs. Jerry D. Johnston will sponsor the group.

A "Headstart" program under Title I of the Elementary and Secondary Education Act will be offered by Old Glory School this summer for children who will enter the first grade next fall.

A qualified teacher will direct the program beginning May 30, to continue for 40 days thereafter. The hours are 8 a.m. to 12 noon, Mondays through Fridays.

Rev. and Mrs. Jack Key and Stanley of Abilene were dinner guests in the home of Mr. and Mrs. H. L. Boles on Sunday. Rev. Key is pastor of the Sweet Home Baptist Church at Rule.

Five, four, three, two, one: The final countdown has begun. For many this will be the last countdown; for others it in only the first of several countdowns.

The seniors were issued their caps and gowns last Thursday. There were many smiling faces and a few teary eyes as the seniors had their pictures made.

The theme for the Junior-Senior Banquet was Hawaii. Hawaiian music could be heard during the feast which was eaten by romantic candlelight. The sophomore girls, wearing muu-muus, met the guests at doors and presented them with leis. The senior girls honoree, Cynthia Stephens, was presented a cluster of pink carnations for her hair by Gary Connally. Tommy Ferguson, senior boy, was presented a hat covered with fruit by Vickie Acklin. (In keeping with the theme, Cynthia was given the title Wahine (Hawiian for girl), and Tommy was called the Island Boy.

Our own combo group, the Kastaways, presented the entertainment. The group is composed of Jimmy Hastings, Paul Long, Sammy Ferguson, Howard Williams, and Pat Jenkins.

Our thanks go to Robert Moore. He furnished the meat for the Junior-Senior Banquet.

The Seniors will have their last class meeting Monday. They will go to the Cliff House in Stamford for a fete and to show slides of the Senior Trip.

The homemaking girls would like to express their appreciation to Mrs. Joe Hudspeth for demonstrating the Tappan Electronic oven. The girls were fascinated at the speed with which the foods were cooked. The girls saw a steak cooked in four minutes. They also received sample of the steak.

The '67 Piper staff will have a workshop Monday, Tuesday, and Wednesday afternoons. Plans will be started for the '67 Piper.

Members of the Piper staff are Margaret Johnson, editor-in-chief; Tommy Oliver, business manager and assistant editor; Sue Roddy, advertising editor and assistant layout editor; Jayne Carol Turner, sales manager; Sally Carlton, layout editor; Robert Moore, vocational agriculture editor; June Hill, copy editor; Pat Perrin and Sharon Townley, assistant copy and layout editors; Mr. Jones, photographer; and Bill Johnson, assistant photographer.

This will be a very busy week for everyone. Six weeks tests will be given the first part of the week. Thursday and Friday final tests will be given. Sunday the baccalaureate services will be held, and Monday night, the long-awaited graduation.

Annual appointments of pastors of churches in the Northwest Conference of Methodist Churches will be made for 1966-67 in Lubbock, May 31, and announced June 9 in Dallas

New Use For Recorder

Here's one for the book and other fisherman: Use a tape recorder to unwind and store nonofilament line. Hook the line onto an empty recorder reel and start the motor.

When the time comes to rewind the line on to fishing reel, run a pencil through the recorder reel. Then hold the pencil behind your knees and the reel between your knees. This way you can exert pressure with the knees to keep the line taut.

NICE GOING

Congratulations to all of you.

May Deadline for July Coverage On Medicare Benefits

May is Senior Citizens Month. Under the new law passed by Congress, May is also the month that persons who reached 65 before March 1, 1966, will have to sign up for doctor bill insurance if they are to have coverage by July 1, 1966, the date that medicare coverage begins.

R. R. Tuley, Jr., District Manager for Social Security in Abilene urged all senior citizens age 65 or over who have not signed up for doctor bill insurance to visit their social security office immediately, so that they may have protection when the program starts on July 1.

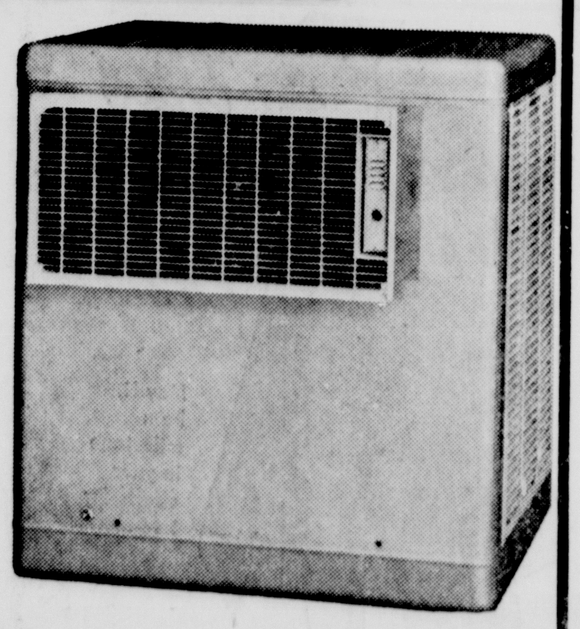

Almost all persons 65 or over are eligible for the two types of health insurance under the medicare program, hospital insurance and doctor bill insurance. Social security beneficiaries are automatically enrolled in the hospital insurance program, but persons who are still working or who do not receive social security benefits must sign up for hospital insurance. On the other hand, in order to get protection toward the cost of doctors bills at a cost of $3 per month, all persons must enroll.

According to Tuley persons who were 65 before March 1, 1966, and fail to enroll before the deadline, May 31, will have to wait til October 1967 before they will have another chance to apply for doctor bill protection. He added that as senior citizens become 65 they should visit their social security office no later than the month before their 65th birthday to have protection as soon as they reach 65.

Agent Gives Help On Weed Control In Costal Fields

Weeds are beginning to be a problem in Costal Bermuda grass after the recent rains says Jones county agent, Kirby Clayton. There are a number of chemicals farmers can use to control these weeds says Clayton, but 1 Lb. of 2-4-D per acre is one of the cheapest methods and should give good control of most broadleaf weeds invading Costal Bermuda Grass pastures.

2-4-D is relatively safe for use on Livestock pastures, but cattle should be removed during the spraying and for 1-2 days after is practical. For other precautions on use of herbicides contact your county agent.

FAIRVIEW NEWS...

By Mrs. Elmer Joiner

Our stoves had hardly cooled off from the last time they were used, when along came Sunday with a one hundred degree reading. If you have been wanting to store your heater for the summer, think it will be safe now.

The farmers have really been busy, plowing beds, preparing them for planting cotton. It seems that next Monday is the time set for them to start planting cotton, so everyone beware, when a farmer starts planting cotton he lets nothing interfere, for they try to get it in the ground as quickly as possible. Some have maize up, some have just planted and some have not planted as yet. Wheat is looking good, but harvest will be delayed this year, usually some patches would be ready, or in the next few days, but the farmers owning combines will have time to plant their cotton before wheat harvest, if something such as rain, does not delay the planting.

We extend our sympathy to Mr. Henry, on the illness of her brother, Mr. J. E. Boyd, who is a resident of Snyder, but is now a patient in the Rotan Hospital. Mr. and Mrs. Henry had visited him on Tuesday and Thursday, but got a call Sunday afternoon that he was worse. They went over to see him again, getting back in time for church.

Mr. and Mrs. Winson Gray went to Brownwood, last Wednesday, to attend funeral services for Mr. Gray's aunt, Mrs. W. B. Lane, of that city.

The monthly meeting of the brotherhood and W. M. U. of the rural churches met at Hanna Wednesday night, with a fair crowd, should have been more. All four of the churches were represented in the brotherhood, the three taking part in the W. M. U. having members from each church. Did not get the report of the men's meeting, but the ladies had the program from the Royal Service book, "The French in Louisana". The next night meeting will be June 8, with the Tuxedo church. The ladies will meet Wednesday May 25, at 9:30 a. m. in the home of Mrs. Elmer Joiner.

Visitors of Mr. and Mrs. E. A. Henry last Wednesday were Mrs. Vida Baker and Mrs. Ora McCollough, from Rule. Thursday, Mr. Henry's brother Warren Henry, from Lubbock, came to see them.

Mrs. Woodrow Goodwin and Mrs. Winson Gray were Friday afternoon visitors in the Drake home.

Mr. and Mrs. Fred Rosenbaum have done a lot of fishing this spring, but he reports that he will have to go to work now and let the fishing wait.

Word was given us about some former residents of our community, now living at Levelland. Miss Margaret Renfro, daughter of the Gerald Renfros, was chosen Miss Levelland of 1966, winning over nine contestants. In July she will go to Fort Worth, where she will compete in the state wide contest for Miss Texas. Margaret won the title, with her beauty, and as her talent the rendition of three vocal solos. She is a freshman at South Plains College, Levelland.

Rev. and Mrs. Babb were dinner guests of the Fred Rosenbaums.

Mrs. Mary Sue Henry, of Rule, took dinner Sunday with the Henrys.

News out our way will be scarce until the farming rush is over, you do not make news spending from ten to twelve hours a day in the field. When the men get home they are already for supper and bed, then up the next morning to do the same thing again. Its a hard life stometimes, but who wants to trade it, when you have spent your life at it.

THANK YOU . . .

. . . for the fine vote given me in the Primary Election, and a special thanks to the many friends whose good help made the results possible. I shall be ever mindful of the responsibility that comes with the victory. ....

OMAR BURLESON

To the People of Jones County

If I had money, I could buy food, but no appetite; I could buy medicine but not health; I could buy pleasure but no peace of mind; I could buy a house but no home; I could buy a church membership but no salvation.

There is no treasurer on earth greater than friends. Saturday, May 7, I considered myself the wealthiest person in Jones County to learn how many friends I had. I humbly and sincerely thank you for your vote and confidence in electing me as your next County Treasurer. With your help and the help of God I will handle the office with every consideration and equality to all.

Sincerely,

L. R. (Shorty) Winkels, Jr.

Triumph OVER THE SEAS

"What is man . . . Thou madest him to have dominion over the works of thy hands"

God has blessed man and given him the right and power to rule over his creation. As man has needs, God has given him the knowledge and ability to meet these needs. Pictured here is only one of many such triumphs. Our nation has particularly been blessed. Let us each Sunday attend worship services and give thanks to our Lord, who is so generous.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

SYLVESTER NEWS...

The Farmers Coop Gin gave a bar-b-que on Saturday night for the stockholders, I hear every one had a nice time.

Mrs. Lee Sanders came home from the hospital this past Saturday after having been there almost three weeks and having surgery. She is doing real well.

Lea Dickerson spent a few days in Hamlin hospital due to a very sore throat and cold.

Mrs. Carra Perkins has returned home from Lubbock and says she is going to stay home for a while, she visited with Raymond and family.

The Ross Douglas family is walking on air. Gary & Paula drove to San Antonio and got little miss Barbara Jill. She was born on the 4th of May and weighed a little over seven pounds. Lenora vows she is the prettiest little girl she has ever seen, but after all that is what she has said about the grandsons. Really, I guess there isn't any difference, she just loves them all.

That buzzing sound you have been hearing all last week was just these ambitious farmers plowing and planting, and I do mean they have been at it almost day and night.

Our last report from Mrs. Combest is that she will continue to live in Lancaster and will sell her home here if she can. We all miss her but realize that it will be better for her to be near some of the children and Minnie lives very near her.

Mr. and Mrs. Paul Stephens are so very proud of their home since it has been done over with aluminum siding, storm doors, and aluminum screens. It looks so nice and too she has lovely flowers, so it is a beautiful sight to see.

Mr. and Mrs. Roy Kiser and Mr. E. C. Kiser atended the graduation of Danny Kiser at Trent on last Friday night. We are all very proud of Danny. We have seen him grow up. He was valedictorian of the class.

Mr. and Mrs. Guy Mauldin are having some remodeling done on their home.

School will soon be out in all our schools, and Vacation Bible School will follow real soon!

OLD GLORY NEWS...

Old Glory Seniors and their sponsors ae planning a trip through the "Old South." The class will leave Old Glory Saturday morning, May 21, and will return home June 1.

Mr. and Mrs. Jerry D. Johnston will sponsor the group.

A "Headstart" program under Title I of the Elementary and Secondary Education Act will be offered by Old Glory School this summer for children who will enter the first grade next fall.

A qualified teacher will direct the program beginning May 30, to continue for 40 days thereafter. The hours are 8 a.m. to 12 noon, Mondays through Fridays.

Rev. and Mrs. Jack Key and Stanley of Abilene were dinner guests in the home of Mr. and Mrs. H. L. Boles on Sunday. Rev. Key is pastor of the Sweet Home Baptist Church at Rule.

PIPER PATTER...

Five, four, three, two, one: The final countdown has begun. For many this will be the last countdown; for others it in only the first of several countdowns.

The seniors were issued their caps and gowns last Thursday. There were many smiling faces and a few teary eyes as the seniors had their pictures made.

The theme for the Junior-Senior Banquet was Hawaii. Hawaiian music could be heard during the feast which was eaten by romantic candlelight. The sophomore girls, wearing muu-muus, met the guests at doors and presented them with leis. The senior girls honoree, Cynthia Stephens, was presented a cluster of pink carnations for her hair by Gary Connally. Tommy Ferguson, senior boy, was presented a hat covered with fruit by Vickie Acklin. (In keeping with the theme, Cynthia was given the title Wahine (Hawiian for girl), and Tommy was called the Island Boy.

Our own combo group, the Kastaways, presented the entertainment. The group is composed of Jimmy Hastings, Paul Long, Sammy Ferguson, Howard Williams, and Pat Jenkins.

Our thanks go to Robert Moore. He furnished the meat for the Junior-Senior Banquet.

The Seniors will have their last class meeting Monday. They will go to the Cliff House in Stamford for a fete and to show slides of the Senior Trip.

The homemaking girls would like to express their appreciation to Mrs. Joe Hudspeth for demonstrating the Tappan Electronic oven. The girls were fascinated at the speed with which the foods were cooked. The girls saw a steak cooked in four minutes. They also received sample of the steak.

The '67 Piper staff will have a workshop Monday, Tuesday, and Wednesday afternoons. Plans will be started for the '67 Piper.

Members of the Piper staff are Margaret Johnson, editor-in-chief; Tommy Oliver, business manager and assistant editor; Sue Roddy, advertising editor and assistant layout editor; Jayne Carol Turner, sales manager; Sally Carlton, layout editor; Robert Moore, vocational agriculture editor; June Hill, copy editor; Pat Perrin and Sharon Townley, assistant copy and layout editors; Mr. Jones, photographer; and Bill Johnson, assistant photographer.

This will be a very busy week for everyone. Six weeks tests will be given the first part of the week. Thursday and Friday final tests will be given. Sunday the baccalaureate services will be held, and Monday night, the long-awaited graduation.

Annual appointments of pastors of churches in the Northwest Conference of Methodist Churches will be made for 1966-67 in Lubbock, May 31, and announced June 9 in Dallas

1966 GRADUATING CLASS OF HAMLIN HIGH SCHOOL

57 Seniors to Receive Hamlin High Diplomas Monday

Fifty-seven seniors will be presented diplomas Monday evening. Most of the graduates have lived in Hamlin all of their lives and 37 of them started to school here in the first grade. There are 25 girls and 32 boys.

In outlining their after-graduation plans, the class is following the current trend of a higher percentage seeking higher education. Of the 57 graduates, 39 have indicated plans to attend a college or university; two plan to go to work, five will seek training in a specialized school; three plan to enter a business school; one is now married and one plans to marry; two plan to enter military service; and four have made no definite plans at this time.

Judy Jenkins, valedictorian, is the daughter of Mr. and Mrs. E. N. Jenkins. Her four year grade point average is 95.24.

She was born May 4, 1948, in Hamlin. Her plans are to attend Texas Tech or Texas Woman's University in the fall.

She was editor of the annual, vice president of the Student Council; historian, National Honor Society; vice president of FHA; and a member of the Library Club. She participated in volleyball, tennis, and track, and lettered four years in basketball.

Honors include Miss H. H. S.; Rotary award, four years; FHA state degree; and member of Junior and Senior Play casts.

New Use For Recorder

Here's one for the book and other fisherman: Use a tape recorder to unwind and store nonofilament line. Hook the line onto an empty recorder reel and start the motor.

When the time comes to rewind the line on to fishing reel, run a pencil through the recorder reel. Then hold the pencil behind your knees and the reel between your knees. This way you can exert pressure with the knees to keep the line taut.

May Deadline for July Coverage On Medicare Benefits

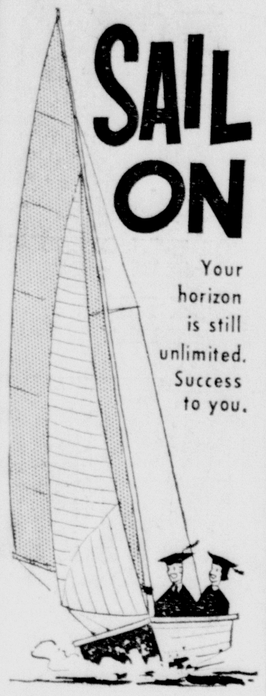

May is Senior Citizens Month. Under the new law passed by Congress, May is also the month that persons who reached 65 before March 1, 1966, will have to sign up for doctor bill insurance if they are to have coverage by July 1, 1966, the date that medicare coverage begins.

R. R. Tuley, Jr., District Manager for Social Security in Abilene urged all senior citizens age 65 or over who have not signed up for doctor bill insurance to visit their social security office immediately, so that they may have protection when the program starts on July 1.

Almost all persons 65 or over are eligible for the two types of health insurance under the medicare program, hospital insurance and doctor bill insurance. Social security beneficiaries are automatically enrolled in the hospital insurance program, but persons who are still working or who do not receive social security benefits must sign up for hospital insurance. On the other hand, in order to get protection toward the cost of doctors bills at a cost of $3 per month, all persons must enroll.

According to Tuley persons who were 65 before March 1, 1966, and fail to enroll before the deadline, May 31, will have to wait til October 1967 before they will have another chance to apply for doctor bill protection. He added that as senior citizens become 65 they should visit their social security office no later than the month before their 65th birthday to have protection as soon as they reach 65.
